

# Help Bring The Strike To Your Town

Print and cut out our campaign cards to let your local fast food employees know about the national strike.

As you go through the drive-through or order something at the counter, ask if the employee has heard about the national fast food strikes and if they think they get paid enough. If they answer “no,” hand them the card and ask them to get involved at [www.LowPayIsNotOK.org](http://www.LowPayIsNotOK.org).

Fast food workers across the country are fighting for \$15/hr and the right to form a union without retaliation.

Tired of getting screwed by low pay? Fight back.
