We Need to Talk

THE EMPLOYEES
GRILLING YOUR
BIG MACS AND
SERVING YOUR
FRENCH FRIES
FACE:

- 1 LOW PAY
- 2 SEXUAL HARASSMENT
- 3 VIOLENT ATTACKS
- 4 ATTACKS ON UNION RIGHTS

TANYA HARRELL, NEW ORLEANS

"He took me into the men's bathroom, pinned me against the wall and attempted to have sex with me."

MARIA TORRES, CHICAGO

"Last fall, bullets came flying in and shattered the store window."

RITA BLALOCK, RALEIGH

"I'm paid so little I need public assistance to get by."

BETTIE DOUGLAS, ST. LOUIS

"I met with McDonald's workers in Europe who have a union. Why does McDonald's fight us here?"

For **seven years**, McDonald's workers have been joining together and speaking out—demanding **\$15 and a union** to make their jobs ones that lift up communities instead of dragging them down.

Yet little has changed.

HELP US PUT A STOP TO THIS AND
TELL MCDONALD'S **IT'S TIME TO TALK.**
